### **5 Dissolution.**

**5.1 Generally.** In the event of the dissolution of Woodfield POA without reinstatement within thirty (30) days, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Woodfield POA and to manage the Common Areas in the place and stead of Woodfield POA, and to make of such provisions as may be necessary for the continued management of the affairs of the dissolved Woodfield POA. **6.2 Transfer.** The transfer of the fee simple title to a Home, whether voluntary or by operation of law, terminating the Owner's title to that Home shall terminate the Owner's rights to the use of and enjoyment of the Common Areas as it pertains to that Home and shall terminate such Owner's membership in Woodfield POA. An Owner's rights and privileges under this Declaration are not assignable separately from a Home. The Owner of each Home is entitled to the benefits of, and is burdened with the duties and responsibilities set forth in, the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Home shall be fully bound by the provisions of this Declaration. In the event that any Owner desires to sell or otherwise transfer title of his or her Home, such Owner shall give the Board at least fourteen (14) days prior written notice of the name and address of the purchaser or transferee, the date on which such transfer of title is to take place, and such other information as the Board may reasonably require. The transferor shall remain jointly and severally liable with the transferee for all obligations of the Owner and the Home pursuant to this Declaration including, without limitation, payment of all Assessments accruing prior to the date of transfer. Until written notice is received as provided in this Section, the transferor and transferee shall be jointly and severally liable for Assessment accruing subsequent to the date of transfer. In the event that upon the conveyance of a Home an Owner fails in the deed of conveyance to reference the imposition of this Declaration on the Home, the transferring Owner shall remain liable for Assessments accruing on the Home from and after the date of conveyance.

Any such approved hurricane shutters may be installed or closed up to forty-eight (48) hours prior to the expected arrival of a hurricane and must be removed or opened within seventy-two (72) hours after the end of a hurricane watch or warning or as the Board may determine otherwise. complied with its obligations hereunder and under the Lake Slope Maintenance Standards. Each Owner hereby grants Woodfield POA an easement of ingress, egress, and regress across his or her Lot to all adjacent lake and canal areas for the purpose of insuring compliance with the requirements of this provision and the Lake Slope Maintenance Standards. Notwithstanding the foregoing, Owners who install improvements to the Home (including, without limitation, concrete or brick pavers) which result in any change in the flow and/or drainage of surface water shall be responsible for the costs of drainage problems resulting from such improvement. No structure, landscaping, or other material shall be placed or be permitted to remain which may damage or interfere with the drainage or irrigation of Woodfield and/or installation or maintenance of utilities or which may obstruct or retard the flow of water through Woodfield and/or water management areas and facilities or otherwise interfere with any drainage, irrigation and/or easement provided for in this Section or the use rights set forth elsewhere in this Declaration.

**13.9 Easement in favor of Woodfield POA.** Woodfield POA is hereby granted an easement over all of Woodfield, including all Homes and Lots, for purposes of: (a) constructing, maintaining, replacing and operating all Common Areas including, but not limited to, lakes, perimeter walls and fences; and (b) performing any obligation of an Owner for which Woodfield POA intends to impose an Individual Assessment.

**13.10 Duration.** All easements created herein or pursuant to the provisions hereof shall be perpetual unless stated to the contrary.

#### **14 Assessments.**

**14.1 Types of Assessments.** Each Owner by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall hereafter be deemed to have covenanted and agreed to pay to Woodfield POA at the time and in the manner required by the Board, assessments or charges and any special assessments as are fixed, established and collected from time to time by Woodfield POA (collectively, the "Assessments"). All Owners shall pay Assessments.

**14.2 Purpose of Assessments.** The Assessments levied by Woodfield POA shall be used for, among other things, the purpose of promoting the recreation, health and welfare of the residents of Woodfield, and in particular for the improvement and maintenance of the Common Areas and any easement in favor of Woodfield POA, including but not limited to the following categories of Assessments as and when levied and deemed payable by the Board:

**14.2.1** Any monthly assessment or charge for the purpose of operating Woodfield POA and accomplishing any and all of its purposes, as determined in accordance herewith, including, without limitation, payment of Operating Costs and collection of amounts necessary to pay any deficits from prior years' operation (hereinafter "Monthly Assessments");

**14.2.2** Any special assessments for capital improvements, major repairs, emergencies, the repair or replacement of the Common Areas including, without limitation, the Surface Water Management System, or nonrecurring expenses (hereinafter "Special Assessments");

**14.2.3** Any specific fees, dues or charges to be paid by Owners for any special services provided to or for the benefit of an Owner or Home, for any special or personal use of the Common Areas, or to reimburse Woodfield POA for the expenses incurred in connection with that service or use (hereinafter "Use Fees");

**14.2.4** Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. At such time as there are improvements in any Common Areas for which Woodfield POA has a responsibility to maintain, repair, and replace, the Board may, but shall have no obligation to, include a "Reserve for Replacement" in the Monthly Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (hereinafter "Reserves"). Assessments pursuant to this Section shall be payable in such manner and at such times as determined by Woodfield POA, and may be payable in installments extending beyond the fiscal year in which the Reserves are approved; and

**14.2.5** Assessments for which one or more Owners (but less than all Owners) within Woodfield is subject ("Individual Assessments") such as costs of special services provided to a Home or Owner or cost relating to enforcement of the provisions of this Declaration or the architectural provisions hereof as it relates to a particular Owner or Home. By way of example, and not of limitation, all of the Owners within a Plat may be subject to Individual Assessments for maintenance, repair, and/or replacement of facilities serving only the residents of such Plat. Further, in the event an Owner fails to maintain the exterior of his Home (other than those portions of a Home maintained by Woodfield POA) in a manner satisfactory to Woodfield POA, Woodfield POA shall have the right, through its agents and employees, to enter upon the Home and to repair, restore, and maintain the Home as required by this Declaration. The cost thereof, plus the reasonable administrative expenses of Woodfield POA, shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment. As a further example, if one or more Owners receive optional Telecommunications Services such as Cable Services, and/or Data Transmission Services, and Woodfield POA pays a Telecommunications Provider for such services, then the cost of such services shall be an Individual Assessment as to each Owner receiving such services. Further, in the event that Woodfield POA decides it is in the best interest of Woodfield that Woodfield POA perform any other obligation of an Owner under this Declaration, the cost of performing such obligation shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

**14.3 Covenants for Surface Water Management Systems Assessments for Woodfield POA.** Assessments shall also be used for the maintenance and repair of the Surface Water Management System including, but not limited to, work within retention areas, drainage structures and drainage easements.

**14.4 Designation.** The designation of Assessment type shall be made by Woodfield POA. Such designation may be made on the budget prepared by Woodfield POA. The designation shall be binding upon all Owners.

**14.5 Allocation of Operating Costs.**

**14.5.1** The allocation of Operating Costs shall be as set forth in the budget.

**14.5.2** Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Monthly Assessments shall be allocated so that each Owner shall pay his pro rata portion of Monthly Assessments, Special Assessments, and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Homes in Woodfield. Notwithstanding the foregoing, Villa Homes and Single Family Homes will be assessed differently for the costs to maintain the landscaping and the lawns of the Lots. (see Section 8.2.1)

**14.5.3** In the event the Operating Costs as estimated in the budget for a particular fiscal year are, after the actual Operating Costs for that period is known, less than the actual costs, then the difference shall, at the election of Woodfield POA: (i) be added to the calculation of Monthly Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. Woodfield POA shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Monthly Assessments, which Special Assessment shall relate back to the date that the Monthly Assessments could have been made. No vote of the Owners shall be required for such Special Assessment (or for any other Assessment except to the extent specifically provided herein).

**14.5.4** Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners of any sums due.

**14.6 General Assessment Allocation.** Except as specified to the contrary, Monthly Assessments, Special Assessments, and Reserves shall be allocated equally to each Owner.

**14.7 Use Fees and Individual Assessment.** Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to the special service or cost as specified by Woodfield POA.

**14.8 Commencement of First Assessment.** Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to an Owner.

**14.9 Surpluses.** Any surplus Assessments collected by Woodfield POA may be: (i) allocated towards the next year's Operating Costs; (ii) used to fund Reserves, whether or not budgeted; (iii) retained by Woodfield POA and/or; (iv) used for any other purpose, in Woodfield POA sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall Woodfield POA be required to pay surplus Assessments to Owners.

**14.10 Budget.** The annual budget respecting Operating Costs shall be prepared and adopted by the Board. Assessments shall be payable by each Owner as provided in this Declaration. It is possible that actual Assessments may be lesser or greater than projected.

**14.11 Establishment of Assessments.** Assessments shall be established in accordance with the following procedures:

**14.11.1** Monthly Assessments shall be established by the adoption of a twelve (12) month operating budget by the Woodfield POA. The budget shall be in the form required by Section 720.303(6) of the Florida Statutes, as amended from time to time. Written notice of the amount and date of commencement thereof shall be given to each Owner not less than ten (10) days in advance of the due date of the first installment thereof. Notwithstanding the foregoing, the budget may cover a period of less than twelve (12) months if the first budget is adopted mid-year or in order to change the fiscal year of Woodfield POA.

**14.11.2** Special Assessments and Individual Assessments against the Owners may be established by Woodfield POA, from time to time, and shall be payable at such time or time(s) as determined.

**14.11.3** Woodfield POA may establish Use Fees from time to time by resolution, rule, or regulation, or by delegation to an officer or agent, including, a professional management company. The sums established shall be payable by the Owner utilizing the service or facility as determined by Woodfield POA.

**14.12 Resale Contribution.** Woodfield POA may establish a resale contribution ("**Resale Contribution**"). There shall be collected upon every conveyance of an ownership interest in a Home by an Owner an amount payable to Woodfield POA. There shall be a recurring assessment payable to Woodfield POA upon all succeeding conveyances of a Home. The amount of the Resale Contribution shall be equal to a full quarterly assessment.

**14.13 Assessment Estoppel Certificates.** No Owner shall sell or convey its interest in a Home unless all sums due Woodfield POA have been paid in full and an estoppel certificate in recordable form shall have been received by such Owner. Woodfield POA shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of Woodfield POA, or its designees, and shall be open to inspection by any Owner. Within ten (10) days of a written request therefor, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount which is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay Woodfield POA a reasonable sum to cover the costs of examining records and preparing such estoppel certificate. Each Owner waives its rights (if any) to an accounting related to Operating Costs or Assessments.

**14.14 Payment of Home Real Estate Taxes.** Each Owner shall pay all taxes and obligations relating to its Home which, if not paid, could become a lien against the Home which is superior to the lien for Assessments created by this Declaration.

**14.15 Creation of the Lien and Personal Obligation.** Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Home, shall be deemed to have covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and

paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of Woodfield POA encumbering the Home and all personal property located thereon owned by the Owner against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Home, name of the Owner, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person who was the Owner of the Home at the time when the Assessment became due, as well as the Owner's heirs, devisees, personal representatives, successors or assigns.

**14.16 Subordination of the Lien to Mortgages.** The lien for Assessments shall not be affected by any sale or transfer of a Home or Parcel. Except as provided by Section 720.2085, Fl. Statutes, any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve the Owner from liability for, nor the Home or Parcel from the lien of, any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to Woodfield POA if the mortgage held by such Lender is in default.

**14.17 Acceleration.** In the event of a default in the payment of any Assessment, Woodfield POA may accelerate the Assessments then due for up to the next ensuing twelve (12) month period.

**14.18 Non-Payment of Assessments.** If any Assessment is not paid within fifteen (15) days (or such other period of time established by the Woodfield POA) after the due date, a late fee of \$25.00 per month (or such greater amount established by the Woodfield POA), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Woodfield POA), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate Woodfield POA for administrative costs, loss of use of money, and accounting expenses. Woodfield POA may, at any time thereafter, bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Home, or both. Woodfield POA shall not be required to bring such an action if it believes that the best interests of Woodfield POA would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collection, and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use the Common Areas or by abandonment of a Home.

**14.19 Rights to Pay Assessments and Receive Reimbursement.** Woodfield POA and any Lender of a Home shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may

or have become a lien or charge against any Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of Woodfield POA with regard to the amounts due.

**14.20 Mortgagee Right.** Each Lender may request in writing that Woodfield POA notify such Lender of any default of the Owner of the Home subject to the Lender's Mortgage under the Woodfield POA Documents which default is not cured within thirty (30) days after Woodfield POA learns of such default. A failure by Woodfield POA to furnish notice to any Lender shall not result in liability of Woodfield POA because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of Woodfield POA to Lender.

**15 Information to Lenders and Owners.**

**15.1 Availability.** There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners and Lenders current copies of the Woodfield POA Documents.

**15.2 Copying.** Any Owner and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

**15.3 Notice.** Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

**15.3.1** Any condemnation loss or casualty loss which affects a material portion of a Home to the extent Woodfield POA is notified of the same;

**15.3.2** Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

**15.3.3** Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

**15.3.4** Any proposed action (if any) which would require the consent of a specific mortgage holder.

**16 Architectural Control.**

**16.1 Architectural Control Committee.** The Architectural Control Committee ("ACC") shall be a permanent committee of Woodfield POA and shall administer and perform the architectural and landscape review and control functions relating to Woodfield. The ACC shall consist of a minimum of three (3) members who are members in good standing with the Woodfield POA and shall be appointed by the Board. In the event of the failure, refusal, or inability to act of any member, the Board shall have the right to replace any member within thirty (30) days of such occurrence. The ACC shall enforce the Community Standards as set forth herein.

**16.2 General Plan.** It is the intent of this Declaration to create a general plan and scheme of development of Woodfield. Accordingly, the ACC shall have the right to approve or disapprove all architectural, landscaping, and improvements within Woodfield by Owners. The ACC shall have the right to evaluate all plans and specifications as to harmony of exterior

design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ACC. The ACC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes.

**16.3 Community Standards.** Each Owner and its contractors and employees shall observe and comply with the Community Standards which now or may hereafter be promulgated by the ACC and approved by the Woodfield POA from time to time. The Community Standards shall be effective from the date of adoption; shall be specifically enforceable by injunction or otherwise; and shall have the effect of covenants as set forth herein verbatim. The Community Standards shall not require any Owner to alter the improvements previously constructed.

**16.4 Quorum.** A majority of the ACC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ACC. In lieu of a meeting, the ACC may act in writing.

**16.5 Power and Duties of the ACC.** No improvements shall be constructed on any portion of Woodfield, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or maintained on any portion of Woodfield, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ACC. The ACC shall not make submission requirements unreasonable or onerous.

**16.6 Procedure.** In order to obtain the approval of the ACC, each Owner shall observe the following:

**16.6.1** Each applicant shall submit an application to the ACC with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the ACC. The applications shall include such information as may be required by the application form adopted by the ACC. The ACC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ACC, such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, and the times scheduled for completion, all as reasonably specified by the ACC. The ACC shall not make submission requirements unreasonable or onerous.

**16.6.2** In the event the information submitted to the ACC is, in the ACC's opinion, incomplete or insufficient in any substantive manner, the ACC may request and require

the submission of additional or supplemental information. The Owner shall, within fifteen (15) days thereafter, comply with the request.

**16.6.3** No later than thirty-one (31) days after receipt of all information required by the ACC for final review, the ACC shall approve or deny the application in writing. The ACC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ACC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the ACC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the ACC fails to respond within such thirty-one (31) day period, the plans and specifications shall be deemed approved by the ACC.

**16.6.4** Construction of all improvements shall be completed within the time period set forth in the application and approved by the ACC.

**16.6.5** In the event that the ACC disapproves any plans and specifications, the applicant may request a rehearing by the ACC for additional review of the disapproved plans and specifications. The meeting shall take place no later than thirty-one (31) days after written request for such meeting is received by the ACC, unless applicant waives this time requirement in writing. The ACC shall make a final written decision no later than thirty-one (31) days after such meeting. In the event the ACC fails to provide such written decision within such thirty-one (31) days, the plans and specifications shall be deemed disapproved.

**16.6.6** Upon final disapproval (even if the members of the Board and the ACC are the same); the applicant may appeal the decision of the ACC to the Board within thirty-one (31) days of the ACC's written review and disapproval. Review by the Board shall take place no later than thirty-one (31) days subsequent to the receipt by the Board of the Owner's request therefore. If the Board fails to hold such a meeting within thirty-one (31) days after receipt of request for such meeting, then the plans and specifications shall be deemed approved. The Board shall make a final decision no later than sixty-two (62) days after such meeting. In the event the Board fails to provide such written decision within such sixth-two (62) days after such meeting, such plans, and specifications shall be deemed approved. The decision of the ACC, or the decision of the Board of Woodfield POA if appealed, shall be final and binding upon the applicant, its heirs, legal representatives, successors, and assigns.

**16.7 Alterations.** Any and all alterations, deletions, additions and changes of any type or nature whatsoever to the existing improvements or the plans or specifications previously approved by the ACC shall be subject to the approval of the ACC in the same manner as required for approval of original plans and specifications.

**16.8 Variances.** Woodfield POA or ACC shall have the power to grant variances from any requirements set forth in this Declaration or from the Community Standards, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Community Standards on any

other occasion. The intent to grant a variance shall be communicated by posting a notice in the Community thirty (30) days prior to the Board meeting to approve the variance. In addition to posting the notice Woodfield POA may also mail, hand deliver or email the intent to grant a variance to Owners. Any Owner will be allowed five (5) minutes to speak on the variance before a vote by the Board.

**16.9 Permits.** The Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

**16.10 Construction by Owners.** The following provisions govern construction activities by Owners after consent of the ACC has been obtained:

**16.10.1** Each Owner shall deliver to the ACC, if requested, copies of all construction and building permits as and when received by the Owner. Each construction site in Woodfield shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike, and continuous basis. Roadways, easements, swales, Common Areas, and other such areas in Woodfield shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in Woodfield and no construction materials shall be stored in Woodfield subject, however, to such conditions and requirements as may be promulgated by the ACC. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any canal or waterway or Common Areas or other Homes in Woodfield or be placed anywhere outside of the Home upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled, and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state, and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in, or within the construction or adjacent property or waterways. All construction activities shall comply with the Community Standards. If a contractor or Owner shall fail to comply in any regard with the requirements of this Section, the ACC shall have the right, but not the obligation, to restore compliance, and to charge an Individual Assessment against the Owner to cover the cost of restoring compliance.

**16.10.2** There shall be provided to the ACC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, material-men and suppliers (collectively, "Contractors") and changes to the list as they occur relating to construction. Each Builder and all of its employees and Contractors and their employees shall utilize those roadways and entrances into Woodfield as are designated by the ACC for construction activities. The ACC shall have the right to require that each Builder's and Contractor's employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ACC.

**16.10.3** Each Owner is responsible for insuring compliance with all terms and conditions of these provisions and of the Community Standards by all of its employees and Contractors. In the event of any violation of any such terms or conditions by any employee or Contractor, or, in the opinion of the ACC, the continued refusal of any employee or Contractor to comply with such terms and conditions, after ten (10) days' notice and right to cure, the ACC

shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or Contractor from performing any further services in Woodfield.

**16.10.4** The ACC may, from time to time, adopt standards governing the performance or conduct of Owners, Contractors and their respective employees within Woodfield. Each Owner and Contractor shall comply with such standards and cause its respective employees to also comply with same. The ACC may also promulgate requirements to be inserted in all contracts relating to construction within Woodfield and each Owner shall include the same therein.

**16.11 Inspection**. There is specifically reserved to Woodfield POA and ACC and to any agent or member of either of them, the right of entry and inspection upon any portion of Woodfield at any time within reasonable daytime hours, for the purpose of determination whether there exists any violation of the terms of any approval or the terms of this Declaration or the Community Standards. However, such right of entry into any Private Residence (but not into the Lot) is contingent upon Owner approval.

**16.12 Violation**. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner shall, upon demand of Woodfield POA or the ACC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collections and bankruptcy, incurred by Woodfield POA or ACC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ACC and/or Woodfield POA are specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Community Standards, by any legal or equitable remedy.

**16.13 Court Costs**. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys' fees and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collections and bankruptcy, in connection therewith.

**16.14 Exculpation**. Woodfield POA, the directors or officers of Woodfield POA, the ACC, the members of the ACC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of Woodfield POA, ACC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Home, that it shall not bring any action or suit against Woodfield POA or their respective directors or officers, the ACC or the members of the ACC, or their respective agents, in order to recover any damages caused by the actions of Woodfield POA, or ACC or their respective members, officers, or directors in connection with the provisions of this Section. Woodfield POA does hereby indemnify, defend and hold the ACC, and each of their members, officers, and directors harmless from all costs, expenses, and liabilities, including attorneys' fees

and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, of all nature resulting by virtue of the acts of the Owners, Woodfield POA, ACC or their members, officers and directors. Woodfield POA, its directors or officers, the ACC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

## **17 Owners Liability.**

**17.1 Loop System Irrigation.** All Homes and Common Areas may receive irrigation pursuant to a loop system. If an Owner desires to make any alterations or improvements to a Home that in any way affect the Loop irrigation system, then the Owner shall be responsible to submit a Work Order to the Woodfield POA to determine what the irrigation modifications are required, if any. The Owner is responsible for the cost associated with any required modifications.

**17.2 Right to Cure.** Should any Owner do any of the following:

**17.2.1** Fail to perform its responsibilities as set forth herein or otherwise breach the provisions of the Declaration including, without limitation, any provision herein benefiting SJRWMD; or

**17.2.2** Cause any damage to any improvement or Common Areas; or

**17.2.3** Impede Woodfield POA from exercising its rights or performing its responsibilities; or

**17.2.4** Undertake unauthorized improvements or modifications to a Home or the Common Areas, then Woodfield POA, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, entering upon the Home and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collections and bankruptcy, incurred shall be assessed against the Owner as an Individual Assessment, unless the Owner is the prevailing party in such action.

**17.3 Non-Monetary Defaults.** In the event of a violation by any Owner, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, Woodfield POA shall notify the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within ten (10) days after such first written notice of warning, the party entitled to enforce same may, at its option:

**17.3.1** Commence an action to enforce the performance on the part of the Owner or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief; and/or

**17.3.2** Commence an action to recover damages; and/or

**17.3.3** Take any and all action reasonably necessary to correct the violation or breach.

**17.4 Expenses.** All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' fees and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collections and bankruptcy, shall be assessed against the Owner, as an Individual Assessment, and shall be immediately due and payable without further notice.

**17.5 No Waiver.** The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

**17.6 Rights Cumulative.** All rights, remedies, and privileges granted to Woodfield POA, and/or the ACC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Community Standards, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

**17.7 Enforcement By or Against Other Persons.** In addition to the foregoing, this Declaration or Community Standards may be enforced by Owners, and/or Woodfield POA by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The expense of any litigation to enforce this Declaration or Community Standards shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Community Standards.

**17.8 Fines.** Woodfield POA may suspend, for reasonable periods of time, the rights of an Owner or an Owner's tenants, guests and invitees, or both, to use the Common Areas and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720 of the Florida Statutes, against an Owner, tenant, guest or invitee, for failure to comply with any provision of this Declaration including, without limitation, those provisions benefiting the SJRWMD.

**17.8.1** A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing.

**17.8.2** A fine or suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "**Violations Committee**") appointed by the Board who are not officers, directors or employees of Woodfield POA, or the spouse, parent, child, brother, sister of an officer, director or employee. If the Violations Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing to the Owner, tenant, guest, or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Violations Committee.

**17.8.3** The non-compliance shall be presented to the Violations Committee acting as a tribunal, after which the Violations Committee shall hear reasons why a fine should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Violations Committee from time to time. A written decision of the Violations Committee shall be submitted to the Owner, tenant, guest, or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Violations Committee. The Owner, tenant, guest, or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

**17.8.4** The Violations Committee may approve Individual Assessments against the Owner in the amount up to \$100 (or any greater amount permitted by law from time to time) for each violation. Each day of noncompliance shall be treated as a separate violation. Any fine shall be capped at the amount levied for sixty-two (62) days. Individual Assessment fines shall be paid not later than ten (10) days after notice of the imposition of the Individual Assessment. All monies received from fines shall be allocated as directed by the Board of Directors.

## **18 Additional Rights of Woodfield POA.**

**18.1 Management.** Woodfield POA may contract with a third party Manager for management of Woodfield POA and the Common Areas.

**18.2 Easements.** Woodfield POA reserves the exclusive right to grant, in its sole discretion, easements, permits and/or licenses for ingress egress and regress, drainage, utilities service, maintenance, Telecommunications Services; and other purposes over, under, upon and across Woodfield so long as any such easements do not materially and adversely interfere with the intended use of Homes previously conveyed to Owners. By way of example, and not of limitation, Woodfield POA may be required to take certain action, or make additions or modifications to the Common Areas in connection with an environmental program. All easements necessary for such purposes are reserved in favor of Woodfield POA, in perpetuity, for such purposes. Without limiting the foregoing, Woodfield POA may relocate any easement affecting a Home, or grant new easements over a Home, after conveyance to an Owner, without the joinder or consent of such Owner, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's use of the Home as a residence. As an illustration, Woodfield POA may grant as easement for Telecommunications Systems, irrigation, drainage lines or electrical lines over any portion of Woodfield so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such portion of Woodfield. Woodfield POA and Owners will join in the creation of such easements, etc. and cooperate in the operation thereof. Woodfield POA will not grant any easements, permits, or licenses to any other entity.

**18.3 Right to Enforce.** Woodfield POA has the right, but not the obligation, to enforce the provisions of this Declaration and the Community Standards and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees, pre-trial and at all levels of proceedings, including appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of Woodfield POA and to recover all costs incurred in doing so.

**18.4 Non-Liability.** Notwithstanding anything to the contrary in the Woodfield POA Documents, Woodfield POA shall not be liable or responsible for, or in any manner a guarantor or insurer of, the health or welfare of any Owner, occupant or user of any portion of Woodfield including, without limitation, residents and their families, guests, Lessees, licensees, invitees, agents, servants, contractors, and/or subcontractors or for any property of any such persons, without limiting the generality of the foregoing:

**18.4.1** It is the express intent of Woodfield POA Documents that the various provisions thereof which are enforceable by Woodfield POA and which govern or regulate the uses of Woodfield have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of Woodfield and the value thereof; and

**18.4.2** Woodfield POA is not empowered, and has not been created, to act as an agency which enforces or ensures the compliance with the laws of the state of Florida and/or Indian River County or prevents tortious activities; and

**18.4.3** The provisions of Woodfield POA Documents setting forth the uses of Assessments which relate to health and welfare shall be interpreted and applied only as limitations on the uses of Assessment funds and not as creating a duty of Woodfield POA to protect or further the health or welfare of any person(s), even if Assessment funds are chosen to be used for any such reason.

**18.4.4** Each Owner (by virtue of his acceptance of title to a Home) and each other person having an interest in or lien upon, or making a use of, any portion of Woodfield (by virtue of accepting such interest or lien or making such use) shall be bound by this section and shall be deemed to have automatically waived any and all rights, claims, demands and causes or action against Woodfield POA arising from or connected with any matter for which the liability of Woodfield POA has been disclaimed in this section or otherwise, as used in this section, "Woodfield POA" shall include within its meaning all of Woodfield POA's directors, officers, committee's and Board members, agents, vendors, contractors (including management companies, subcontractors, successors ad assigns).

**18.5 Resolution of Disputes.** By acceptance of a deed, each Owner agrees that the Woodfield POA Documents are very complex; therefore, any claim, demand action, or cause of action, with respect to any action, proceeding, claim, counterclaim, or cross claim, whether in contract and/or in tort (regardless if the tort action is presently recognized or not), based on, arising out of, in connection with or in any way related to the Woodfield POA Documents, including any course of conduct, course of dealing, verbal or written statement, validation, protection, enforcement action or omission or any party should be heard in a court proceeding by a judge and not a jury in order to best serve justice. Woodfield POA hereby suggests that each Owner understand the legal consequences of accepting a deed to a Home.

**18.6 Venue.** Each Owner acknowledges regardless of where such Owner: (i) executed a purchase and sale agreement; (ii) resides; (iii) obtains financing or; (iv) closed on a Home, this Declaration legally and factually was executed in Indian River County, Florida. Each Home is located in Indian River County, Florida. Accordingly, an irrefutable presumption exists that the only appropriate venue for the resolution of any dispute lies in Indian River County, Florida. In

addition to the foregoing, each Owner and Woodfield POA agrees that the venue for resolution of any dispute lies in Indian River County, Florida.

**18.7 Reliance.** Before accepting a deed to a Home, each Owner has an obligation to retain an attorney in order to confirm the validity of this Declaration. By acceptance of a deed to a Home, each Owner acknowledges that he has sought and received such an opinion or has made an affirmative decision not to seek such an opinion. Woodfield POA is relying on each Owner confirming in advance of acquiring a Home that this Declaration is valid, fair, and enforceable. Such reliance is detrimental to Woodfield POA. Accordingly, an Estoppel and waiver exists prohibiting each Owner from taking the position that any provision of this Declaration is invalid in any respect, as a further material inducement for Woodfield POA to subject to this Declaration, each Owner does hereby release, waive, discharge, covenant not to sue, acquit, satisfy and forever discharge Woodfield POA, its officers, directors, and agents and its affiliates and assigns from any and all liability, claims, counterclaims, defenses, actions, causes of action, suits, controversies, agreements, promises and demands whatsoever in law or in equity which an Owner may have in the future, or which any personal representative, successor, heir or assign of Owner hereafter can, shall or may have against Woodfield POA, its officers, directors, and agents, and its affiliates and assigns, for, upon or by reason of any matter, cause or thing whatsoever respecting this Declaration, or the exhibits hereto. This release and waiver is intended to be as broad and inclusive as permitted by the laws of the state of Florida.

**18.8 Access Control Systems.** Woodfield POA shall have the right, but not the obligation, to contract for the installation of additional Access Control System facilities for Woodfield including, without limitation, gate(s), gatehouse(s), and/or roving patrol(s) for Woodfield. All contracts for Access Control Systems shall be subject to the prior written approval of Woodfield POA. Woodfield POA shall not be held liable for any loss or damage by reason or failure to provide adequate access control or ineffectiveness of access control measures undertaken. Each and every Owner and the occupant of each Home acknowledges that Woodfield POA, agents, managers, directors and officers, are not insurers of Owners or Homes, or the personal property located within Homes. Woodfield POA will not be responsible or liable for losses, injuries, or deaths resulting from any casualty or intrusion into a Home.

## **19 Telecommunications Services.**

**19.1 Right to Contract for Telecommunications Services.** Woodfield POA shall have the right, but not the obligation, to enter into one or more contracts for the provision of one or more Telecommunications Services for all or any part of Woodfield. Woodfield POA and/or its nominees, successors, assigns, affiliates, and licensees may contract and act as a Telecommunications Provider for one or more Telecommunications Services, subject only to the requirements of all applicable laws, statutes and regulations.

**19.2 Easements.** Woodfield POA reserves unto itself and its nominees, successors, assigns, affiliates, and licensees, and grants to each Telecommunications Provider providing Telecommunications Services to all or a part of Woodfield pursuant to an agreement between Woodfield POA and such Telecommunications Provider, a perpetual right, privilege, easement and right-of-way across, over, under and upon Woodfield for the installation, construction and

maintenance of Telecommunications Systems together with a right, privilege and easement of ingress, egress, and regress access, over and upon Woodfield for installing, constructing, inspecting, maintaining, altering, moving, improving and replacing facilities and equipment constituting such systems. If, and to the extent, Telecommunications Services provided by such Telecommunications Systems are to serve all of Woodfield, then the cost of the Telecommunications Services may be Operating Costs of Woodfield POA and shall be assessed as a part of the Assessments.

**19.3 Restoration.** Upon the completion of any installation, upgrade, maintenance, repair, or removal of the Telecommunications Systems or any part thereof, each Telecommunications Provider shall restore the relevant portion of the Common Areas and/or any Home to as good a condition as that which existed prior to such installation, maintenance, repair or removal. Failure by Telecommunications Provider to complete such restoration within ten (10) days after receiving written notice from Woodfield POA of such failure shall vest in Woodfield POA the right (but not the obligation) to restore or cause to be restored such portion of the Common Areas and/or Home disturbed by such work, all at such Telecommunications Provider's sole cost and expense, except for in emergency situations whereby Woodfield POA may restore or cause to be restored such disturbed portion of the Common Areas and/or Home immediately. In the event that Woodfield POA exercises the right of self-help, each Telecommunications Provider agrees in advance that Woodfield POA shall have the sole right to (1) select the contractors to perform such work and (2) determine the extent of required restoration. This remedy of self-help is in addition to all other remedies of Woodfield hereunder. All reasonable expenses incurred by Woodfield POA in connection with such restoration shall be paid by Telecommunications Provider within ten (10) days of delivery to Telecommunications Provider of Woodfield POA invoice therefore. Any expenses not so paid when due shall bear interest from the due date at the lesser of (i) the publicly announced prime rate (or similar successor reference rate) of a Bank or its successor on the date of such invoice, or (ii) the maximum rate of interest allowed by the law of the State of Florida for such obligations, or as may be provided in a contract between Woodfield POA and a Telecommunications Provider.

**19.4 Operating Costs.** Each Owner understands that the expense of any Telecommunications Service may or may not be charged on a bulk basis, and may be charged at the rate equal to any rate paid by individual Home Owners that are not subject to Woodfield POA documents.

**20 Housing for Older Persons.**

**20.1 Age of Residents; Services and Facilities.** Subject to all local ordinances, as they may be amended from time to time, at least eighty percent (80%) of the occupied Homes must be occupied by at least one (1) person fifty-five (55) years of age or older. It shall be the responsibility of the Board of Woodfield POA to determine whether eighty percent (80%) of the occupied Homes in Woodfield are occupied by at least one person who is fifty-five (55) years of age or older. No person under the age of eighteen (18) may be a permanent occupant of any Home, except that persons under the age of eighteen (18) may be permitted to visit and temporarily reside for periods not to exceed thirty (30) days in total in any calendar year. Such

temporary residency shall be governed by Rules and Regulations adopted by the Board. Notwithstanding anything to the contrary set forth in this Declaration, the restriction that no person under the age of eighteen (18) years may be a permanent occupant of any Home shall be in perpetuity and shall not be subject to amendment. The provisions of this Section are intended specifically to be consistent with, and are set forth in order to comply with the provisions of the federal Fair Housing Act and the Housing for Older Persons Act (collectively, the "Act"), and exceptions therefrom provided by 42 U.S.C., Section 3607, regarding discrimination based on familial status, and may be amended at any time by a majority of the Board of Directors (without the joinder or vote of Owners) to reduce the fifty-five (55) years of age restriction if so permitted by the Act. Each Owner should be aware that up to twenty percent (20%) of the occupied Homes in Woodfield may be occupied by persons who are under the age of fifty-five (55) so long as such persons are eighteen (18) years of age or older except that persons under the age of eighteen (18) may be permitted to visit and temporarily reside for periods not to exceed thirty (30) days in total in any calendar year.

**20.2 Sale or Lease.** Owners shall be responsible for including the statement that the Homes within Woodfield are intended for occupancy by persons fifty-five (55) years of age or older, as set forth above, in conspicuous type in any lease, purchase and sale agreement, transfer documents or other occupancy agreement relating to such Owner's Home, which agreements or contracts shall be in writing and signed by the tenant or purchaser. No Owner may transfer any interest in a Home without the approval of Woodfield POA as provided in Woodfield POA Rules and Regulations. Without limiting the foregoing, Woodfield POA has the right to withhold approval of any transfer or change in occupancy of a Home that will not result in occupancy of the Home by at least one person fifty-five (55) years of age or older.

**20.3 Change of Occupancy.** In the event of any proposed change in occupancy of any Home, as a result of transfer, sale, gift, lease, sublease, assignment, death, birth, marriage, separation, divorce, or otherwise, the Owner of such Home shall immediately notify the Board in writing and provide to the Board the names and ages of all current and proposed occupants of the Home and such other information the Board may reasonably require to verify the age of each occupant. No voluntary change in occupancy shall occur without the prior approval of Woodfield POA as provided in Woodfield POA Rules and Regulations.

**20.4 Maintaining Age Records.** Woodfield POA shall be responsible for maintaining age records on all occupants of Homes. The Board shall publish and adhere to policies, procedures, and rules to monitor and maintain compliance with this Section and the Act, including policies regarding verification of compliance with the Act through surveys and affidavits. Woodfield POA shall develop procedures for determining the occupancy of each Home. Woodfield POA may require occupants of Homes to produce copies of birth certificates, driver's licenses, passports, immigration cards, military identifications, or other official documents containing birth date of comparable reliability.

**20.5 Enforcement of Provisions.** Woodfield POA shall have the power and authority to enforce this Section in any legal manner available, as the Board deems appropriate, including, without limitation, taking action to evict the occupants of any Home which does not comply with the requirements and restrictions of this Section. Each Owner hereby appoints

Woodfield POA as its attorney-in-fact for the purpose of taking legal action to dispossess, evict or otherwise remove the occupants of his or her Home as necessary to enforce compliance with this section. Each Owner shall fully and truthfully respond to any and all requests by Woodfield POA for information regarding the occupancy of the Home which in the judgment of the Board are reasonably necessary to monitor compliance with this Section.

## **21 General Provisions.**

**21.1 Authority of Board.** Except when a vote of the membership of Woodfield POA is specifically required, all decisions, duties, and obligations of Woodfield POA hereunder may be made by the Board. Woodfield POA and Owners shall be bound thereby.

**21.2 Severability.** Invalidation of any of the provisions of this Declaration by judgment or court order shall in no way affect any other provision, and the remainder of this Declaration shall remain in full force and effect.

**21.3 Construction Activities.** All Owners, occupants, and users of Woodfield are hereby placed on notice that (1) Woodfield POA and/or its agents, contractors, subcontractors, licensees and other designees and/or (2) any other parties may be, from time to time, conducting excavation, construction and other activities within or in proximity to Woodfield. By acceptance of their deed or other conveyance or mortgage, leasehold, license or other interest, and by using any portion of Woodfield, each such Owner, occupant and user automatically acknowledges, stipulates and agrees: (i) that none of the aforesaid activities shall be deemed nuisances or noxious or offensive activities, hereunder or at law generally; (ii) not to enter upon, or allow their children or other persons under their control or direction to enter upon (regardless of whether such entry is a trespass or otherwise) any property within or in proximity to Woodfield where such activity is being conducted (even if not being actively conducted at the time of entry, such as at night or otherwise during non-working hours), (iii) Woodfield POA and the other aforesaid related parties shall not be liable for any and all losses, damages (compensatory, consequential, punitive or otherwise), injuries or deaths arising from or relating to the aforesaid activities, except resulting directly from Woodfield POA's gross negligence or willful misconduct, and (iv) and purchase or use of any portion of Woodfield has been and will be made with full knowledge of the foregoing.

**21.4 Notices.** Any notice required to be sent to any person, firm, or entity under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address at the time of such mailing.

**21.5 Florida Statutes.** Whenever this Declaration refers to the Florida Statutes, it shall be deemed to refer to the Florida Statutes as they exist on the date this Declaration is recorded except to the extent provided otherwise as to any particular provision of the Florida Statutes.

**21.6 Title Documents.** Each Owner by acceptance of a deed to a Home acknowledges that such Home is subject to certain land use and title documents and all amendments thereto, which may include among other items, the following Title Documents identified in this Declaration (collectively, the "**Title Documents**"):
